

Holly Saul

DEPARTMENT LEADER, TUMBLEBEES LEARNING CENTER

My name is Holly and I have been a preschool teacher at Tumblebees Learning Center (TLC) Preschool at Ultimate Kids since 2019. In 2022, I was excited to be promoted to Department Leader for TLC.

I began my career in teaching at GTCC Children's Center while earning my degree in Human Development and Family Studies with a B-K teaching licensure from UNCG. After graduating, I taught Pre-K and Kindergarten in Orange County for 13 years. With 3 children of my own, I made the difficult decision to step away from the classroom but was so lucky to find the Ultimate Kids family and return to teaching there..

Over the years, I have worked with so many wonderful families and this year, I am so excited to continue to grow the TLC Preschool program at Ultimate Kids while continuing to work with kids in the classroom as one of the lead teachers in the TLC Preschool Pre-K class. When I am not at Ultimate Kids, I enjoy spending time with family and friends, reading and traveling.

My philosophy on teaching can be summed up in one quote by Benjamin Franklin: "Tell me and I forget. Teach me and I remember. Involve me and I learn".
