DEPARTMENT LEADER, CUSTOMER SERVICE

Hi, my name is Lori Yoder. I am the Customer Service Office Manager at Ultimate Kids. I have been with Ultimate Kids since 2001 where I started as a Director with our former TumbleBus program and a preschool recreational coach. I left for a short time to pursue my interest in Customer Service. I returned in April of 2018 as this is my home away from home.

I love to garden, cook and do art. I am a mother of a daughter and a step-son, both adults now.

Background: Early Childhood Education and Customer Service

Certifications: USAG Safety Certified, Safe Sport Certified, CPR & First Aid.

Philosophy: When life pulls you backwards with difficulties, it means it will launch you into something great. Keep your head up, focus, and keep aiming.
