

## **Sarah Keane**

### **DEPARTMENT LEADER, PRESCHOOL GYMNASTICS AND SCHOOL-AGE RECREATIONAL GYMNASTICS**

Welcome to Ultimate Kids! I am Mrs. Sarah, Department Leader for school age and preschool gymnastics. My 35+ years in coaching have provided so many wonderful experiences in teaching students the sport I also did as a child. Creating programs that seek to enrich the lives of children not only in gymnastics but also in overall physical, emotional, social, and cognitive development has been my goal from the start.

Over the past thirty-eight years, I have coached children of all ages and abilities; from the discovery of movement in infants to thrilling skills in high-level team athletes. What an amazing place to work! I know, now more than ever, as I see the children of our former students come to experience Tumblebees gymnastics here at Ultimate Kids, that this is a really special place to be.

Coach Dan and I have been married for over 30 years and we have two adult children. Outside of the gym, I enjoy photography, scrapbooking, gardening, and spending time with my dogs and cats at home.
