

Kennethia Mason

DEPARTMENT LEADER, ULTIMATE DANCE

Kennethia Mason's journey of Singing and Dancing began in preschool when her music teacher and a guest African dance teacher were amazed by her voice and how easily she caught on to the dance steps and immediately put her to work at the age of 5.

Once this talent was discovered she started taking dance classes. She worked on her craft inside and outside of the studio, spending most of her time learning techniques on her own. Kennethia was selected for All County Dance all four years of highschool. After graduating from the Winston - Salem/Forsyth County School system, she chose to further her education at Winston Salem State University where she was a member of the Scarlet Lace Dance Team and the ART Dance Team

Kennethia began performing with the North Carolina Black Repertory Company, (NCBRC), in 2005, making her debut in Musical Theater under the directorship of Ms. Mabel Robinson. In 2012, she was given the lead dance role as Mary, in the "Black Nativity" now known as "The Nativity According To The Gospels".
