

CLIMBER RELEASE FORM

Welcome to The Ultimate Climbing Gym. It is our desire that you experience the “ultimate” indoor climbing experience. Before you begin your climbing adventure, there are a few guidelines to remember:

1. The “Bouldering Room” is the indoor climbing facility in which the climbing gym service desk is located. Climbing ropes are not allowed in this room. Please remember to never walk underneath a climber. Doing so could result in injury.
2. The “Ultimate Room” is the larger indoor climbing facility adjacent to the Bouldering Room. Climbing ropes are required to climb in this room. Roped climbers always have the right of way. Please do not boulder over them. Doing so could result in injury.
3. This climbing gym is a family-friendly environment. Smoking, drinking alcoholic beverages, using illegal drugs, profanity, the playing of music with profanity or sexually elicited music or movies, horseplay, stealing equipment, and suggestive dress is prohibited. Shirts and shoes are worn at all times. Running is not permitted anywhere in the facility.
4. Courtesy to other climbers is expected at all times.
5. Failure to abide by any of these guidelines could result in permanent expulsion from the climbing gym.

Participant's Name: _____ Birthdate: _____

By permitting the above named participant to participate in the programs offered by The Ultimate Climbing Gym, I acknowledge the fact that participation in any of the activities involves risk of serious injury or death.

I forever release and waive Ultimate Kids, LLC dba The Ultimate Climbing Gym, its Owners, Employees, and Assignees from any and all claims, passive or active negligence, injuries or actions arising out of use of prams or facilities.

Before climbing in the Ultimate Room, each climber must pass a proficiency test in rope security and climbing safety. Should a participant not pass this test, he/she may receive instruction from the climbing gym until the test is passed.

Climbing and/or belaying are inherently dangerous activities that could result in injury or even death when done improperly or recklessly. Horseplay, running, and/or behavior deemed unacceptable will not be tolerated. There is no substitution for competent instruction, years of experience, and common sense. If you treat these activities with the respect they demand, rock climbing and belaying can be lifelong sports enjoyed by all.
